Allen's Foot-Ease for the Troops.

The antiseptic powder to be shaken in to the shoes or used in the foot bath. Young men in every community are using Allen's Foot-Ease in their drills for Military Preparedness. Used by the Allied French and English troops because it rests the feet, takes the friction from the shoe and makes walking easy.

All Objections Overcome

The objections to inverted gas lights heretofore that they blacken the fixture and destroy its symmetry are overcome in the new Welsbach "C-E-Z" Light. Besides these great advantages over all other incandescent lights, the new

"C-E-Z" Light

affords you all you want of the right kind of light for the home. The eye-straining glare is removed. "Semi-indirect" lighting diffuses the light throughout the room. "Soft" mantles overcome the danger of breaking in handling. They last longer and cost less than ordinary mantles. Our campaign for better lighting affords the opportunity for free demonstration in your home. Call write or phone for the "Gas Man."
